Namuziga Means "The Wheel" in Luganda

August is

Membership and New Club Development Month

President's Message

RTN. MUTYABULE ROSEMARY
IRRESISTIBLE PRESIDENT

DEAR ESTEEMED MEMBERS OF THE MIGHTY ROTARY CLUB OF KAMPALA.

As we close off the 9th Week of the Magical Year, its with a heavy heart that we received news of the passing of one of our distinguished members, Prof. Edward Khiddu Makubuya, on Sunday 18th August after a short illness. Prof. was a dedicated and passionate member of our club and a man of wisdom and rich legal jurisprudence. His presence and contribution will be greatly missed.

I wish to thank you all for the great rotary spirit that you exhibited during the preparations to attend the Cancer Run on 25th of August 2024 at KCCA Hocket Grounds. I appreciate all those who bought kits for themselves and their networks. Your generosity and efforts contributed to the success of the fundraiser. 53,000 participants & 2.5 billion shillings raised! Thank you!

Lastly, I would like to thank all our members and friends that joined us at Namirembe Cathedral on Thursday 22nd August 2024 for the celebration of the life of our fallen member, Prof. Edward Khiddu Makubuya. Have a blessed week.

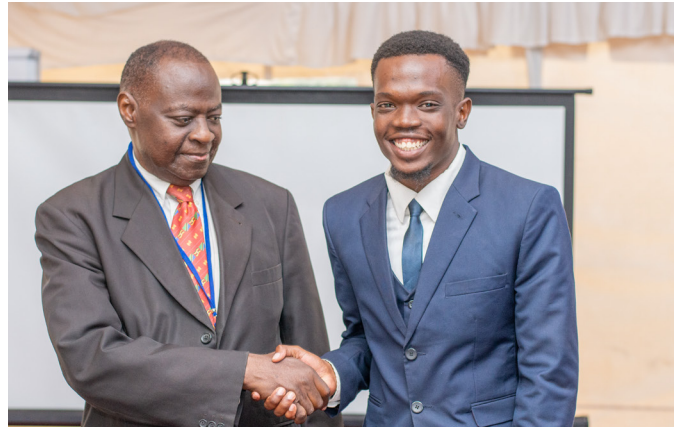

ROSEMARY MUTYABULE,
IRRESISTIBLE PRESIDENT RY 2024/25

I also wish to remind us all to be part of our first Medical Camp this year. The medical camp will be held in Kapor - Ngora District from 20 - 21st September, 2024, with over 10 Rotary clubs participating. The medical camp will attract over 1,000 members of the community, as we plan for a bigger project to "Adopt the Community" and help them break the cycle of poverty through improved and sustainable livelihood. The project will be implemented in partnership with other Rotary clubs and will focus on the seven areas of Rotary service (Peace and Conflict Prevention/Resolution; Disease Prevention and Treatment; Water and Sanitation; Maternal and Child Health; Basic Education and Literacy; Economic and Community Development; and environment.)

RTN KHIDDU MAKUBUYA TRIBUTE

Club of Kampala

CELEBRATING
A LIFE WELL LIVED

It is with great sadness that the Rotary Club of Kampala announces the passing of Prof. Edward Khiddu Makubuya on August 18th 2024, a dedicated and passionate member of our club.
Details to follow soon

Rest in Peace, Hon. Prof. Edward Khiddu Makubuya
Your service and spirit will be deeply missed

@KampalaRotary

A SUMMARY OF THE FAMILY OF ROTARY SURVEY, AUGUST 2024

TOTAL MEMBERSHIP OF THE CLUB: 85

75% MEMBERS FILLED THE SURVEY

MOST SHARED HOBBIES

- **Sports** (Swimming, Golf, Hiking)
- **Dancing and socializing**
- **Traveling**
- **Farming**

- ▶ **MOST OF THE MEMBERS' CHILDREN ARE ABOVE 18**
- ▶ **ABOUT 6 MEMBERS HAVE CHILDREN BELOW 18**
- ▶ **50 MEMBERS HAVE SPOUSES.**

COMMON DISLIKES

- We need timely communication for events to better our attendance and contribution.
- We need to treat each other equally with kindness
- Make fellowship more interesting
- Adapt to change (Use Zoom)
- Disconnection from members
- More talk than action

The club admin director and secretary to be informed early of any special arrangements.

NANKUNDA HOPE MWIJUKA

Executive Director,
Raising Teenages Uganda

UGANDA'S NANKUNDA HOPE MWIJUKA NAMED FINALIST FOR AFRICA EDUCATION MEDAL 2024

Founded by T4 Education and HP, the Africa Education Medal is Africa's most prestigious education accolade

Nankunda Hope Mwijuka, Founder and Executive Director of Raising Teenagers-Uganda, has been named among the ten Finalists for the Africa Education Medal 2024. Founded by T4 Education and HP, the Africa Education Medal is Africa's most prestigious education accolade.

The Africa Education Medal recognises the tireless work of those who are transforming education across the continent – celebrating the stories of those who have lit the spark of change so others will be inspired to take up the torch. It is given to an outstanding individual who has demonstrated impact, leadership, and advocacy in the field of education.

The winner of this year's Africa Education Medal will be invited to attend the World Schools Summit in Dubai on 23-24 November and, in recognition of the urgent need to solve the teacher recruitment and retention crisis to tackle learning gaps, the winner will be entitled to nominate a school of their choice to receive membership of T4 Education's Best School to Work programme – an independent, evidence-based mechanism to certify schools for their culture and help them transform their working environment to attract and retain the best teachers.

Nankunda Hope Mwijuka is Founder and Executive Director of Raising Teenagers-Uganda, a non-profit organisation that creates safe spaces for young people. It focuses on menstrual hygiene management for girls and provides guidance and counselling services in schools and communities. Her life's mission revolves around empowering the girls by advocating for their right to education and good health.

Through her work, Nankunda Hope Mwijuka is tackling systemic barriers to education for girls, particularly in regions where cultural norms, economic constraints, and gender biases prevent girls from attending school.

By addressing the issue of menstrual hygiene management, which often leads to girls missing school due to inadequate facilities and resources, she ensures that girls can attend school regularly without facing discomfort or stigma.

The winner of this year's Africa Education Medal will be invited to attend the World Schools Summit in Dubai on 23-24 November and, in recognition of the urgent need to solve the teacher recruitment and retention crisis to tackle learning gaps, the winner will be entitled to nominate a school of their choice to receive membership of T4 Education's Best School to Work programme –

an independent, evidence-based mechanism to certify schools for their culture and help them transform their working environment to attract and retain the best teachers.

Nankunda Hope Mwijuka's work also focuses on improving the quality of education by providing guidance and counselling services for both students and parents. This addresses issues such as low academic performance, lack of motivation, and psychosocial challenges that may hinder students' learning experiences.

Through her active involvement in Brave Movement Global and campaigns like #EndSex4Marks, Nankunda has brought attention to the issue of child sexual violence, leading to stronger enforcement of laws, and better support systems for victims, resulting in a decrease in instances of child sexual violence in communities where she operates.

She co-founded Wezasha Girls Network Uganda, whose work has led to improved access to education for girls and boys. By providing support, resources, and advocacy, she has empowered more children, especially girls, to enrol and stay in school, leading to higher literacy rates, increased opportunities, and improved socio-economic outcomes for individuals and communities.

Nankunda Hope Mwijuka coordinates the Central Region in Uganda for Girls Not Brides Uganda, a global coalition of over 100 civil society organisations working to end child marriage. Her leadership has contributed to a reduction in child marriage rates in the Central Region, ensuring that more girls can stay in school, pursue their education, and avoid early marriages.

She also serves as a member of the National Steering Committee for Parenting Agenda for Uganda, hosted by the Ministry of Gender Labour and Social Development, which aims to promote positive parenting

Mayank Dhingra, Senior Education Business Leader at HP, said:

"Congratulations to Uganda's Nankunda Hope Mwijuka on being named Finalist for the Africa Education Medal 2024. Her passion and dedication to transforming education will inspire countless others to follow in her footsteps in building a world where quality education is enjoyed by all."

"HP has a bold goal to accelerate digital equity for 150 million people globally by 2030. Only by joining forces and aligning with NGOs, government, educators and businesses can we truly improve the education environment. The Africa Education Medal brings together all those who are changing the face of African education, whose work we must all learn from if the world is to meet the Sustainable Development Goals by 2030."

Vikas Pota, Founder and CEO of T4 Education, said:

"If we are to tackle these colossal challenges, and unlock the continent's future, we must build a community of leaders from every sphere of society committed to educational transformation. Leaders like Nankunda Hope Mwijuka. Africa, and the world, has so much to learn from your inspirational story and your vital contribution to the next generation."

The Finalists for the Africa Education Medal 2024 are:

- Ahmed Kura, Co-Executive Director, Kenya Drylands Education Fund, Kenya
- Angeline (Angie) Murimirwa, CEO, CAMFED, Zimbabwe
- Christopher Khaemba, Co-Founder & Director, Nova Pioneer, Kenya
- Hakeem Subair, CEO, 1 Million Teachers, Nigeria
- Julian Hewitt, Outgoing CEO, The Jakes Gerwel Fellowship, South Africa
- Mohammed Haroon, Principal Education Consultant, Ghana
- Nankunda Hope Mwijuka, Executive Director, Raising Teenagers Uganda, Uganda
- Taddy Blecher CEO & Co-Founder, Maharishi Invincibility Institute, South Africa
- Josiah Olusegun Ajiboye, Registrar & Chief Executive, Teachers Registration Council of Nigeria, Nigeria
- Olanrewaju Oniyitan, Founder & Executive Director, SEED Care & Support Foundation, Nigeria

Nominations for the Africa Education Medal opened in February 2024 for individuals working to improve pre-kindergarten, K-12, vocational and university education who are either educators or school leaders, civil society leaders, public servants, government officials, political leaders, entrepreneurs, business leaders, or technologists.

In its third year, the Africa Education Medal is the oldest of the three World Education Medals established by T4 Education and HP.

The winner will be announced in October. They will be chosen by a Jury comprising prominent individuals based on rigorous criteria.

ABOUT T4 EDUCATION

We believe every child, everywhere, deserves a good education. We are building the world's largest community of teachers and schools to achieve this. Together. Our digital media platform provides opportunities for educators to network, collaborate, share good practices, and support each other's efforts to improve learning and school culture. We work to amplify teachers' voices because the world we want to see will only be built by listening to those at the heart of education.

Our global community of over 200,000 teachers and our digital media platform provides an engine for organisations to run education prizes that cut through in both the international media and the public consciousness.

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST:

The development of acquaintance as an opportunity for service

SECOND:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society

THIRD:

The application of the ideal of service in each Rotarian's personal, business, and community life

FOURTH:

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

The 4 Way Test

Of the things we think, say or do:

Is it the **TRUTH**?

Is it **FAIR** to all concerned?

Will it build **GOODWILL** and
BETTER FRIENDSHIPS?

Will it be **BENEFICIAL** to all concerned?

Rotary Code of Conduct

The Rotary Code of Conduct (formerly known as the Declaration of Rotarians in Businesses and Professions) provides a framework for ethical behavior that all Rotarians can use, together with The **FourWay Test**, in their business and professional activities.

As a Rotarian, I will:

Exemplify the core value of integrity in all behaviors and activities

Use my vocational experience and talents to serve in Rotary

Conduct all of my personal, business, and professional affairs ethically, while encouraging and fostering high ethical standards as an example to others

Be fair in all dealings with others and treat them with the respect due to them as fellow human beings

Promote recognition and respect for all occupations which are useful to society

Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community

7. Honor the trust that Rotary and fellow Rotarians provide and not do anything that will bring disfavor or reflect adversely on Rotary or fellow Rotarians.
